Welcome to a creative 2006!

This past year was a whirlwind. I had the opportunity to teach workshops from Florida to Colorado as well as Texas to Italy. All workshops were great fun and meeting fellow artists is always the best part of my job!

A special thanks to Edmund, at La Romita, Terni, Italy. A group of 21 had the most incredible experience for 2 weeks. The group explored the region of Umbria to it's fullest. We painted each day at a new location as well as in our chapel/studio. We completed the experience with a reunion dinner and a group exhibit at Ecartra, at Race Office Supply, in Oshkosh, WI. Thank you to all who came along for all the adventure!

Exhibits

I participated in several exhibits with fellow artists as well as in a one-woman show. The season began with the Oshkosh Fine Art Association's "WinnebagoLand Art Fair" at South Park, in Oshkosh. September & October brought the "La Romita Group Exhibit" at Ecartra Gallery at Race Office Supply in downtown Oshkosh, WI. November brought "2 Perspectives" with Pat Reiher and myself together once again for our annual Autumn exhibit and sale. I finished the year with my "One Woman Show" in December at the Originals Gallery in Waupaca, WI.

Two "NEW" Galleries

I was invited to be one of the participating artist at the NEW Richeson School of Art and Gallery in Kimberly, WI. The grand opening brought many artists and dignitaries from all across the U.S. It is a wonderful state of the art facility and gallery. If you haven't visited yet...you must take some time and check it out as soon as you can! I was also invited to be part of the stable of artists at another NEW gallery, the State Street Gallery in Madison, WI. It's only steps away from the State Capitol building. Please visit when you can...both are very nice galleries.

Mexico!

Dave and I ended the year with a most interesting fact-finding mission to Mexico. We explored the art rich San Miguel de Allende and the beautiful beaches of Puerto Vallarta. We made lots of contacts and look forward to taking an art group some day.

On to 2006!
